

[Obtuse-Acute]

Remember to look carefully at which angle you are being asked to name. It is the small angle which is less than 90° which is the acute angle. Remember to look carefully at which angle you are being asked to name. It is the smallest angle which is between the lines. The obtuse angle is more than 90° and less than 180° .

9th February-15th March, 2009

Alok Bal, Jagganath Mohapatra , Sanjoy Barrot, Ambubhai Rathwa, Disha Jani, Devendra Dushavar, Hrishikesh Biswal, Nikita Parikh, Sanjoy Barot, Pulak Sanpui, Heena Mistry, Vinod Patel, Bhupen Burman

Introducing

Amit Kumar Lodh, Anasuya Mohapatra ,Gururaj, Khanjan Maru, Malleshi H.V, Manoj, Muktinath Mandal, Nagarjuna, Prabakar Alok, Rachana, S Pragathi Kumar, Sameer Dave, Subrata Dey,Vipul Rathod.

The acute times-waking up in the morning with bombardment of information on the dipping graphs, bankruptcy, insolvency, pink slips. 70% discount sales but no takers. Erosion of natural resources reason—misusage but doesn't usage leads to depletion anyways. Everything has a cycle and that which has a beginning will have an end.

Showcasing works from the studios of Baroda. Since years, Baroda is the paramount center and exclusive fountainhead of contemporary art in India. There is no denying the fact that this eloquently designed city remains the hub of Modern Indian art. The contemporary scenario of the Baroda Art has been portrayed variously, such as Narrativist, Modernist(Installation, pop art, kitsch, minimalist), Post- modernist(activist, indigenist, socialist ,mediatic-realist photo-realist)etc.
